NEW RESTAURANT EXPERIENCE, INCALMO, NOW OPEN FOR TAKEAWAY AND WEEKEND DINNER AT MUSEUM OF GLASS

The fresh dining concept is operated by the team behind Tacoma's The Table

Tacoma, Wash. – Fresh off a great opening in December 2021, [Incalmo](#), a new restaurant experience at Museum of Glass, is evolving its offering with daily takeaway service and dinner from 5-8pm Friday and Saturday nights.

Operated by the Tacoma-based restaurateurs behind The Table, Incalmo features an Italian inspired locally sourced menu. Daytime options include pastries and espresso, as well as freshly made pasta, sandwiches, salads, and pizza. For dinner the menu expands with the addition of antipasti and a selection of entrees, including braised duck, mushroom polenta, and local fish. All great to pair with a beer from Tacoma-based brewery E9 or one of the carefully curated wines from Italy, France, and Washington.

"It's been great to see both Museum goers and the local community embracing Incalmo," said Debbie Lenk, Executive Director, Museum of Glass. "We look forward to building on our partnership and finding new ways to connect the Museum and restaurant experiences."

Named after the technique of constructing a glass object, usually a vessel, by fusing two or more blown elements, Incalmo uniquely connects culinary inspirations with its home in the Museum. The logo, which illustrates the technique of incalmo, is emblazoned in resin on each table. It is based on a drawing by longtime Museum of Glass emcee and artist Walter Lieberman, whose chalk drawings illustrating techniques and process are a crowd favorite. Diners will also be tempted by handmade pastries in beautiful cake stands blown by the Museum Hot Shop Team, which are also available for purchase in the Museum Store.

In the coming months Incalmo looks to expand into dinner service Wednesday-Sunday. Themed dinners, including spirits and wine, connecting to Museum exhibitions are also planned for later this spring.

Incalmo hours:

- Sunday, Wednesday, Thursday: 10am-5pm
- Friday and Saturday: 10am-8pm
- [Takeaway](#): 11am-4:30 pm

About Museum of Glass

Located in Tacoma, Washington, Museum of Glass is a premier contemporary art museum dedicated to glass and glassmaking in the West Coast's largest and most active museum glass studio. Opened in 2002, the Museum has established a reputation for hosting impactful and engaging artist residencies, organizing nationally traveling exhibitions, and creating unique programs for visitors while building a growing permanent collection chronicling the development of modern and contemporary glass. Museum of Glass provides an environment for artists and the public to ignite creativity, fuel discovery, and enrich their lives through glass and glassmaking.
